The image shows the front cover of the Jumanji board game box. The central focus is the title 'JUMANJI' in large, yellow, stone-textured letters with green outlines. The background is a lush jungle scene with a waterfall and a stone temple. Surrounding the central scene are four circular frames containing characters and animals: Dr. Smith in the top left, George the monkey in the top right, a rhinoceros in the bottom left, and an elephant in the bottom right. A banner across the middle of the box reads 'EGY JÁTÉK AZOKNAK, AKIK MACUK MÖGÖTT AKARJÁK HAGYNI A VILÁGUKAT.' Below the banner are two dice. The entire box is framed by a wooden border. In the bottom left corner, there is an '8+' age rating and a '5+ players' icon. In the bottom right corner, the 'Spin Master Games' logo is visible.
